E. E. Brown, Esq.,
60 Victoria Street,
Toronto.

Dear Mr. Brown:

Many thanks for your kind letter in which you tell me that you agree with my position with regard to the German members of the staff. I am glad to have not only your support but that of others, as you tell me is the case. It is a difficult position. I quite understand that feeling is very high, but I hope that if we keep our heads and do the just thing we shall not have much to regret in the future. With kind regards, I am,

Yours sincerely,

President.
